State A-3 Basketball Tournament

March 3, 4, 5 Bonneville Gym I.F. Butte

Defeats Parma, Kimberly, Grace To

Emerge State Champs

State basketball was the highlight of the 1982-83 school year. Never before had we seen such talent, experience, and cooperation displayed by Butte basketball players and the coaches.

The season began unsteadily, but after Christmas there was no stopping us. The first goal, Nuclear League Championship, was met with a 12-2 record. After that the team was on to district. The beginning game with North Fremont started out slow, but after Butte became familiar with the Madison gymnasium, the match was won handily. Next the Pirates beat Teton and school spirit soared. The team played West Jefferson three times to become victor and to gain top seat at state. This had never been achieved before at Butte. Butte basketball boys now claimed Nuclear League Championship and District 6 Championship.

Pirates young and old went wild!

The day the Pirates were to attend state was officially declared Pirate Day in Arco. School was let out, and everyone was ready to see our Butte Pirates play the Parma Panthers. Having never played teams outside the league before, the Pirates were apprehensive. But they were going to give it their best shot—and they did. The game ended with a score of 93-65. Not only did the Pirates rout the 2nd ranked team in the tournament but they also set a new record for the most points made in a state tournament game.

Next came the Kimberly Bulldogs. They were tall and big, but the Butte players' quickness and agility coupled with Coach Berg's experience sent those Bulldogs scampering away. The game ended with a 58-54 for the victorious Pirates.

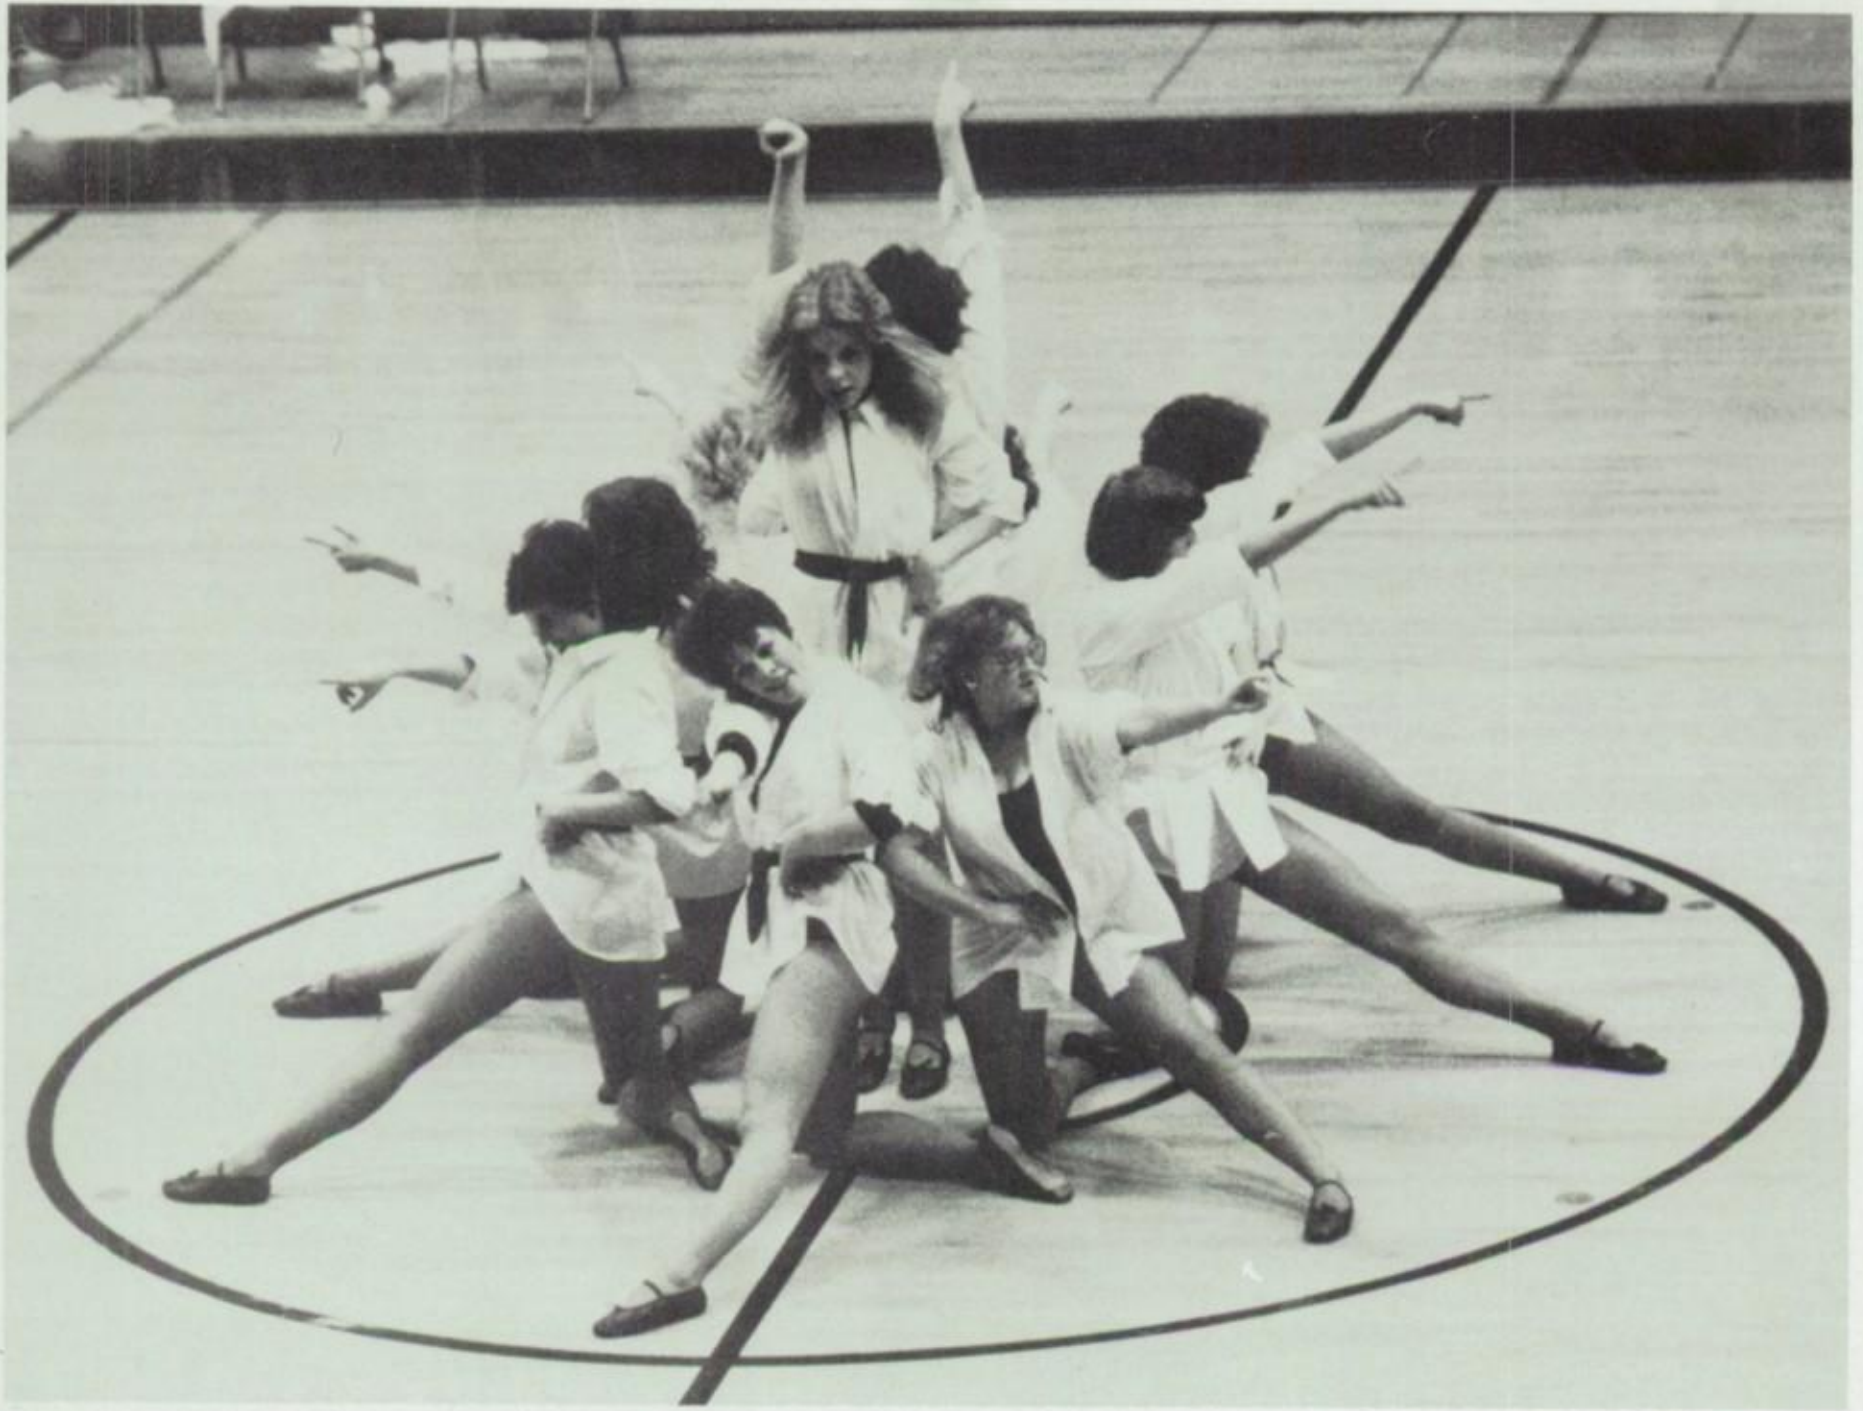

Now that the Pirates were this far they wanted everything—the Idaho A-3 State Championship. Two un-

ranked teams would battle for this title. It was Saturday night at the Bonneville gym and the bleachers were packed with Arco and Grace fans. The Butte Pirates and the Grace Panthers came onto the floor. The Butte basketball players, Coach Berg's four corner offence and Coach Williams' jokes were too much of a match for Grace. The Pirates were victorious. The celebration shouts rose high into the sky that night and for days thereafter.

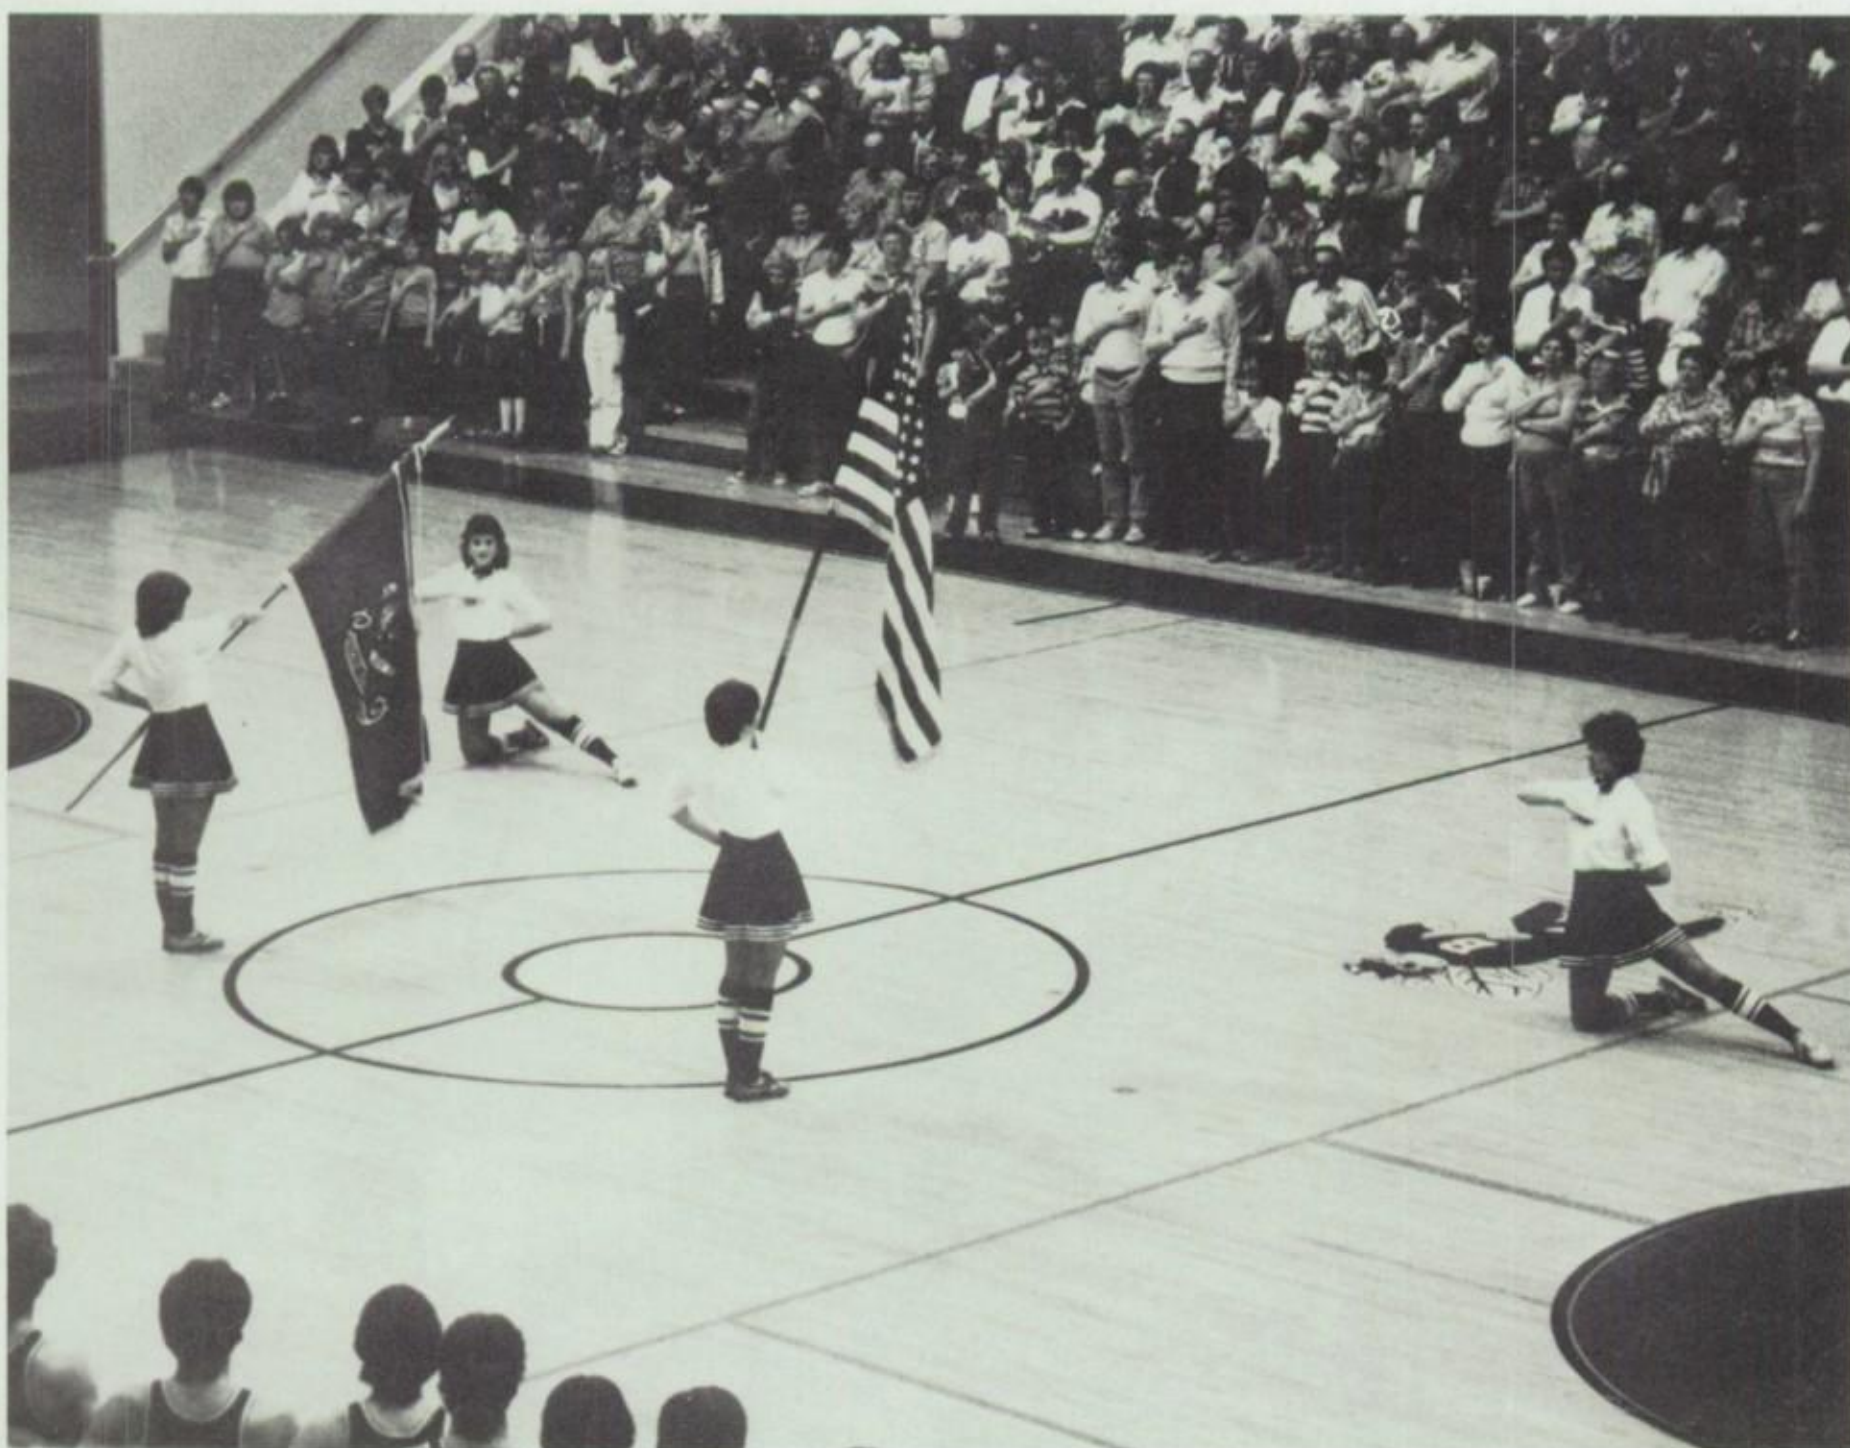

The Pirate Log honors Coach Barry Berg and Assistant Coach Jim Williams, the players Ed, Scott, Neil, Jeff, Shawn, Jerry, Steve, Carson, Brad, James, Coy and Robert, and their support crew Jon, Todd, Allen and David for their superb performance on the basketball floor this year.

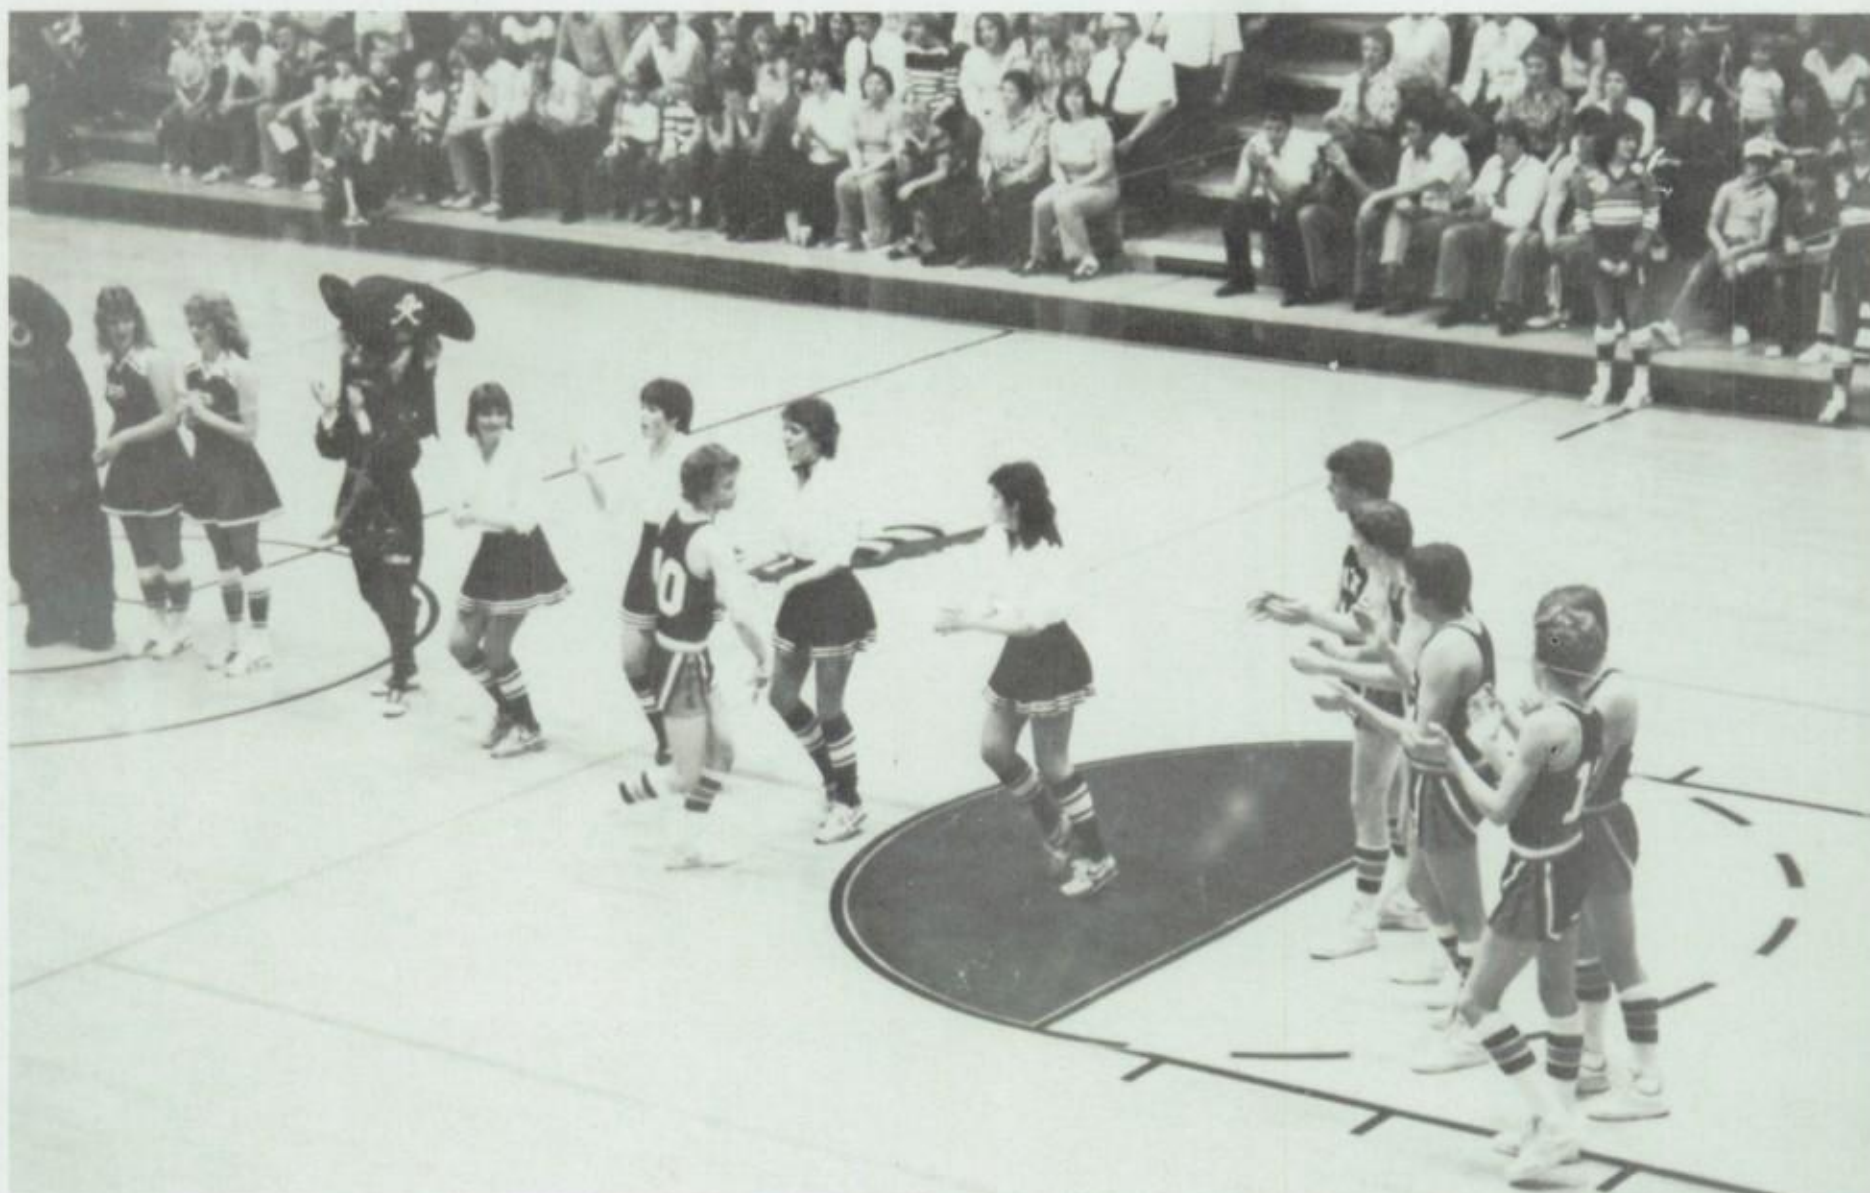

As was mentioned at the award ceremony, "We all will cherish these moments for years to come."

Excerpts from the speech by Jim Andreason, Butte County commissioner, at the award assembly in the Butte auditorium on this page and selected following pages. "When you can watch the Butte Pirates win a Nuclear Conference crown, the 6th District Tournament and the Idaho State A-3 Championship, I am here to ask you who in the world would want to watch the LA Lakers and the Utah Jazz? I wouldn't trade watching Butte make that first 10 points against Kimberly for all the pro games ever played."

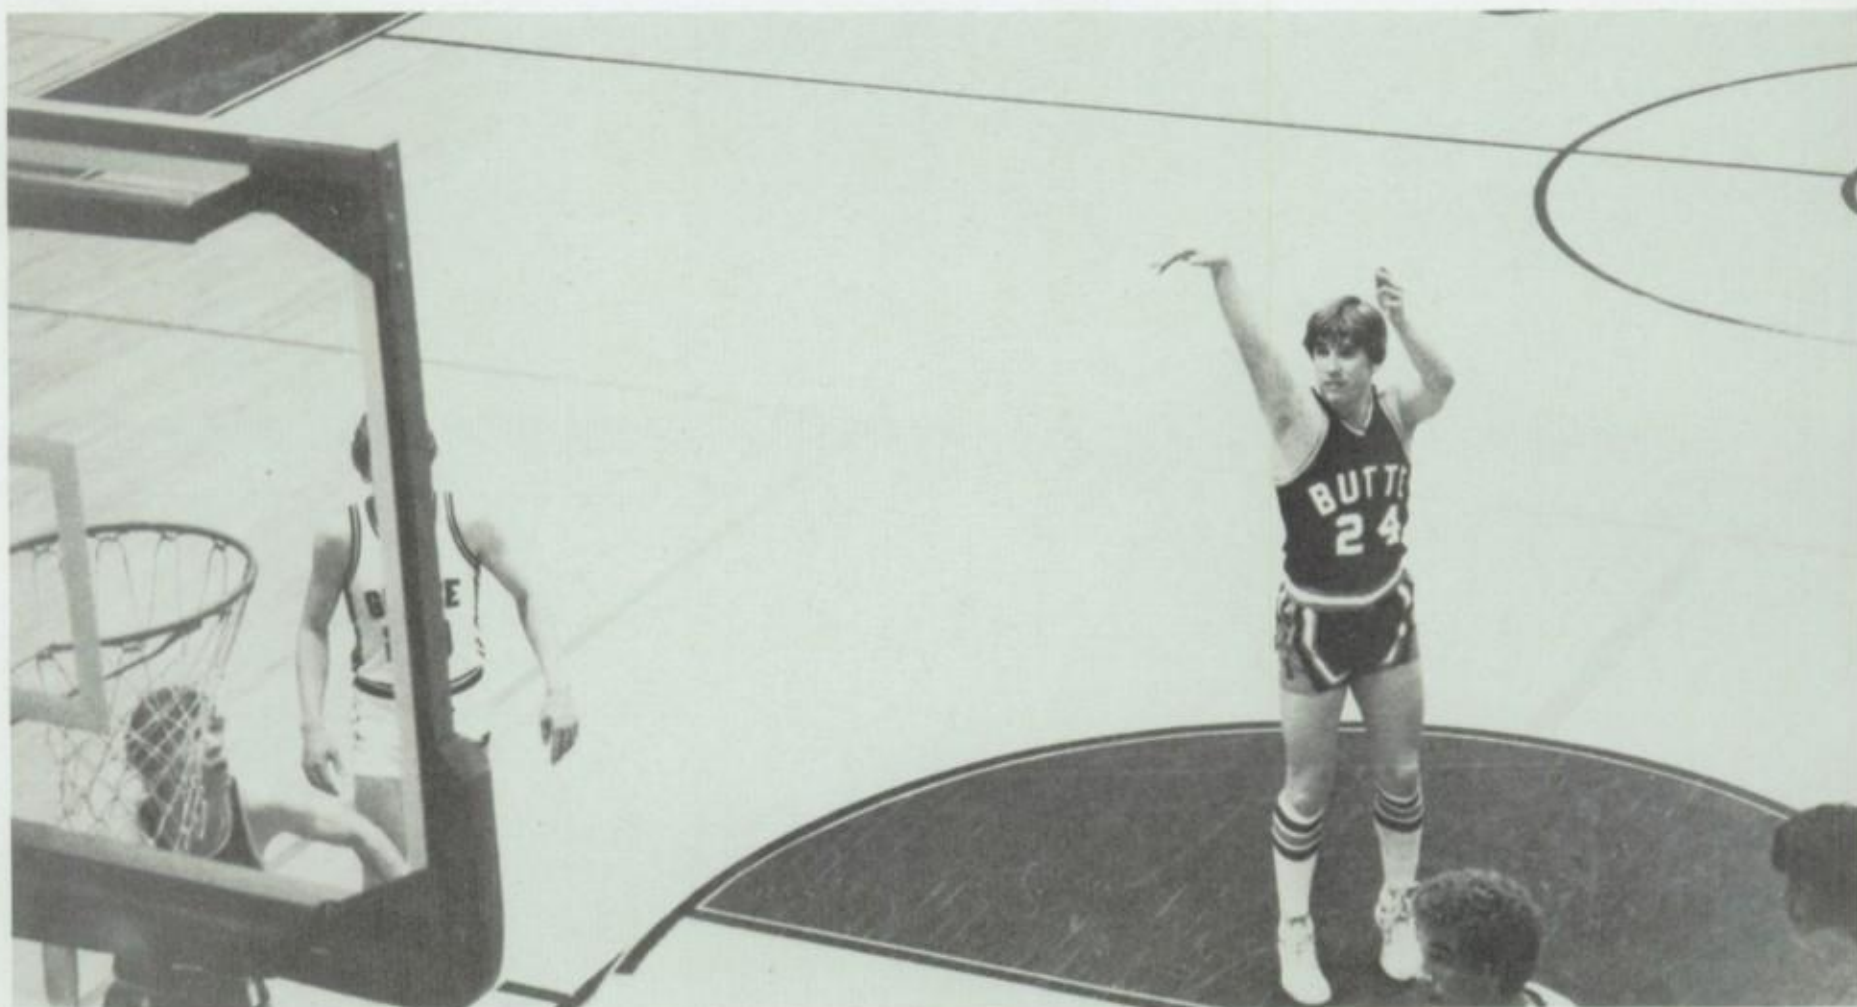

"You Pirates have accomplished what no other Butte basketball team has ever accomplished. With your unselfishness, determination and athletic ability—with your fine dribbling, passing and shooting—with your ability to handle any situation, on and off the basketball floor—with your respect for Coach Berg, whose outstanding coaching all year has enabled you to be the champions you are, and for Coach Williams and his stories, you have gained the victory."

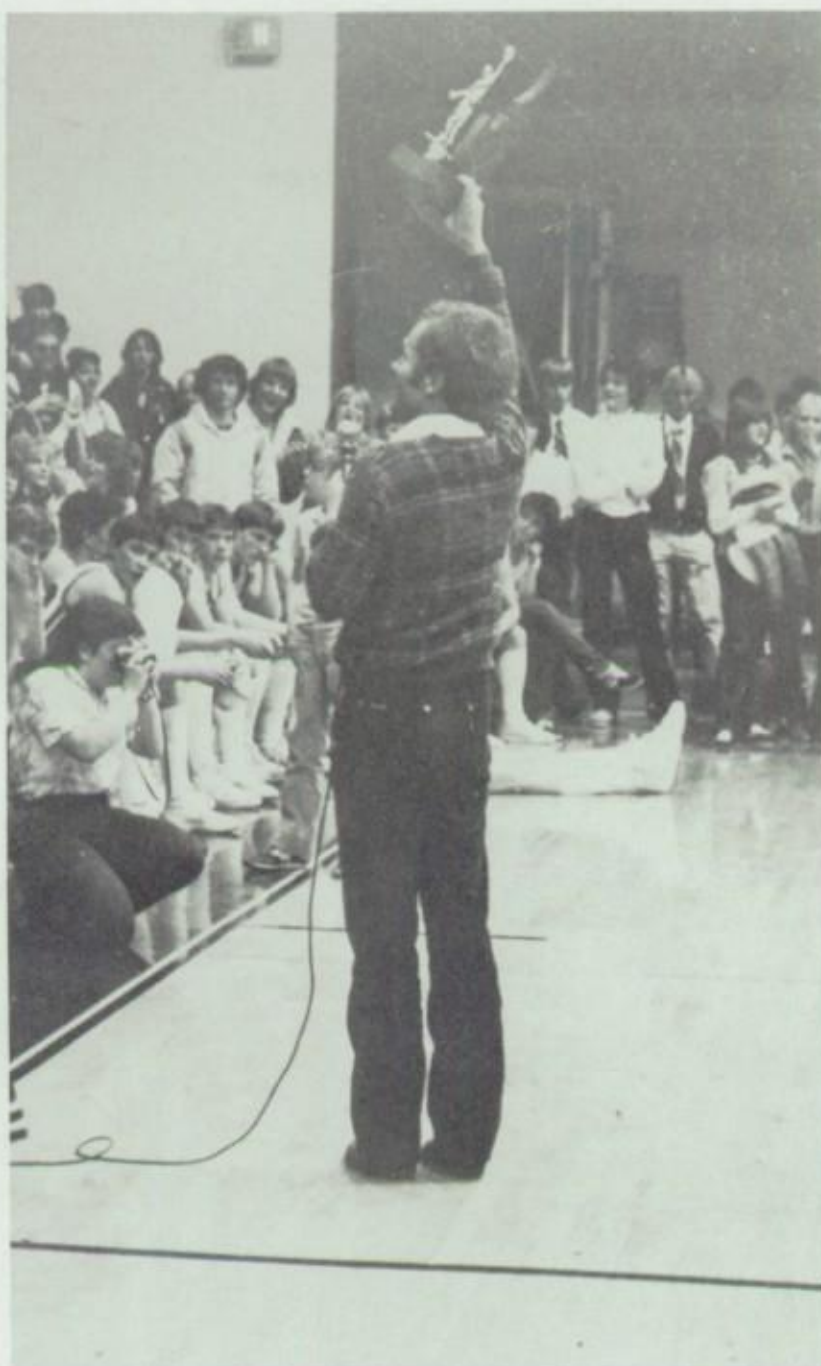

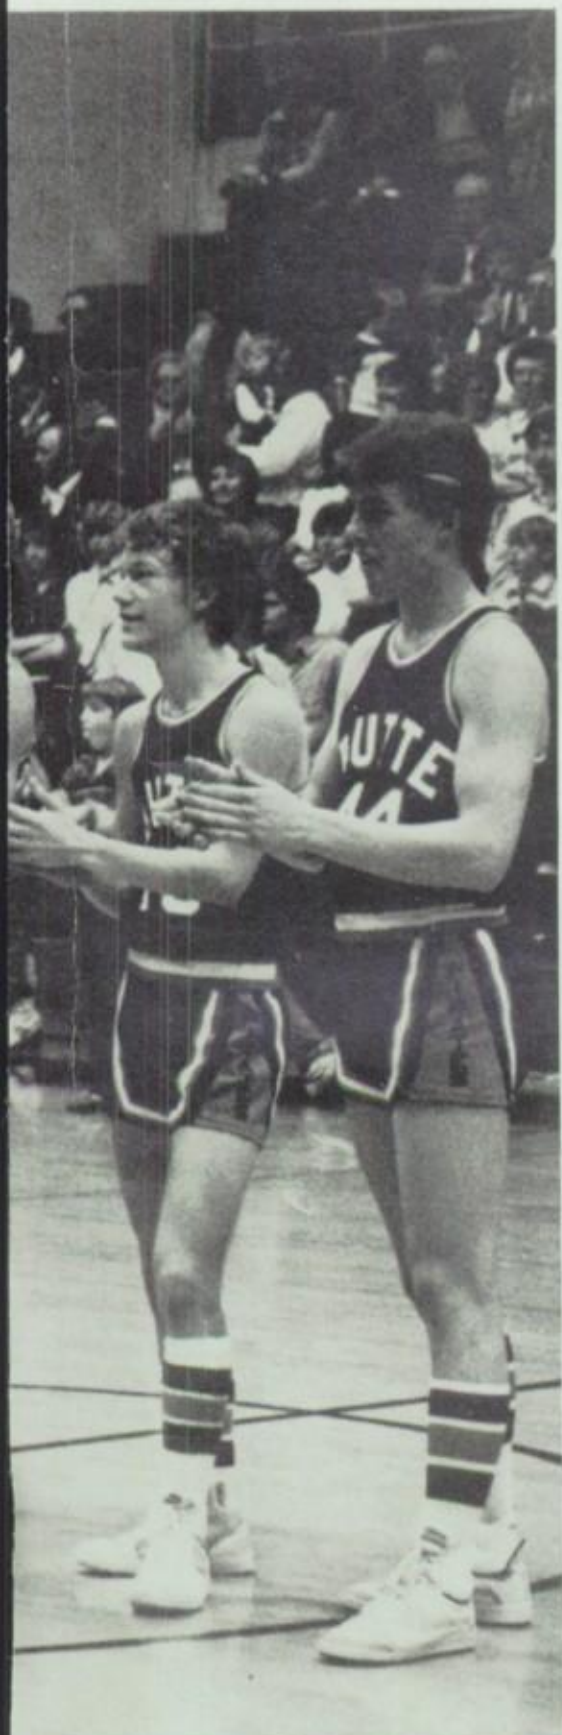

"You students at Butte High School have accomplished another great achievement for the community. I don't know if you are aware of it, but the unity and the support that have surrounded you at the tournament games, especially state, were unbelievable. In addition you had fans from Mackay, Challis and West Jefferson, as well as former BHS basketball players and former residents. You created a unity within a tremendous group of people that won't be forgotten, and for that we congratulate you.

For the exciting games, the ulcers and the thrill of victory, we say **THANK YOU!"**

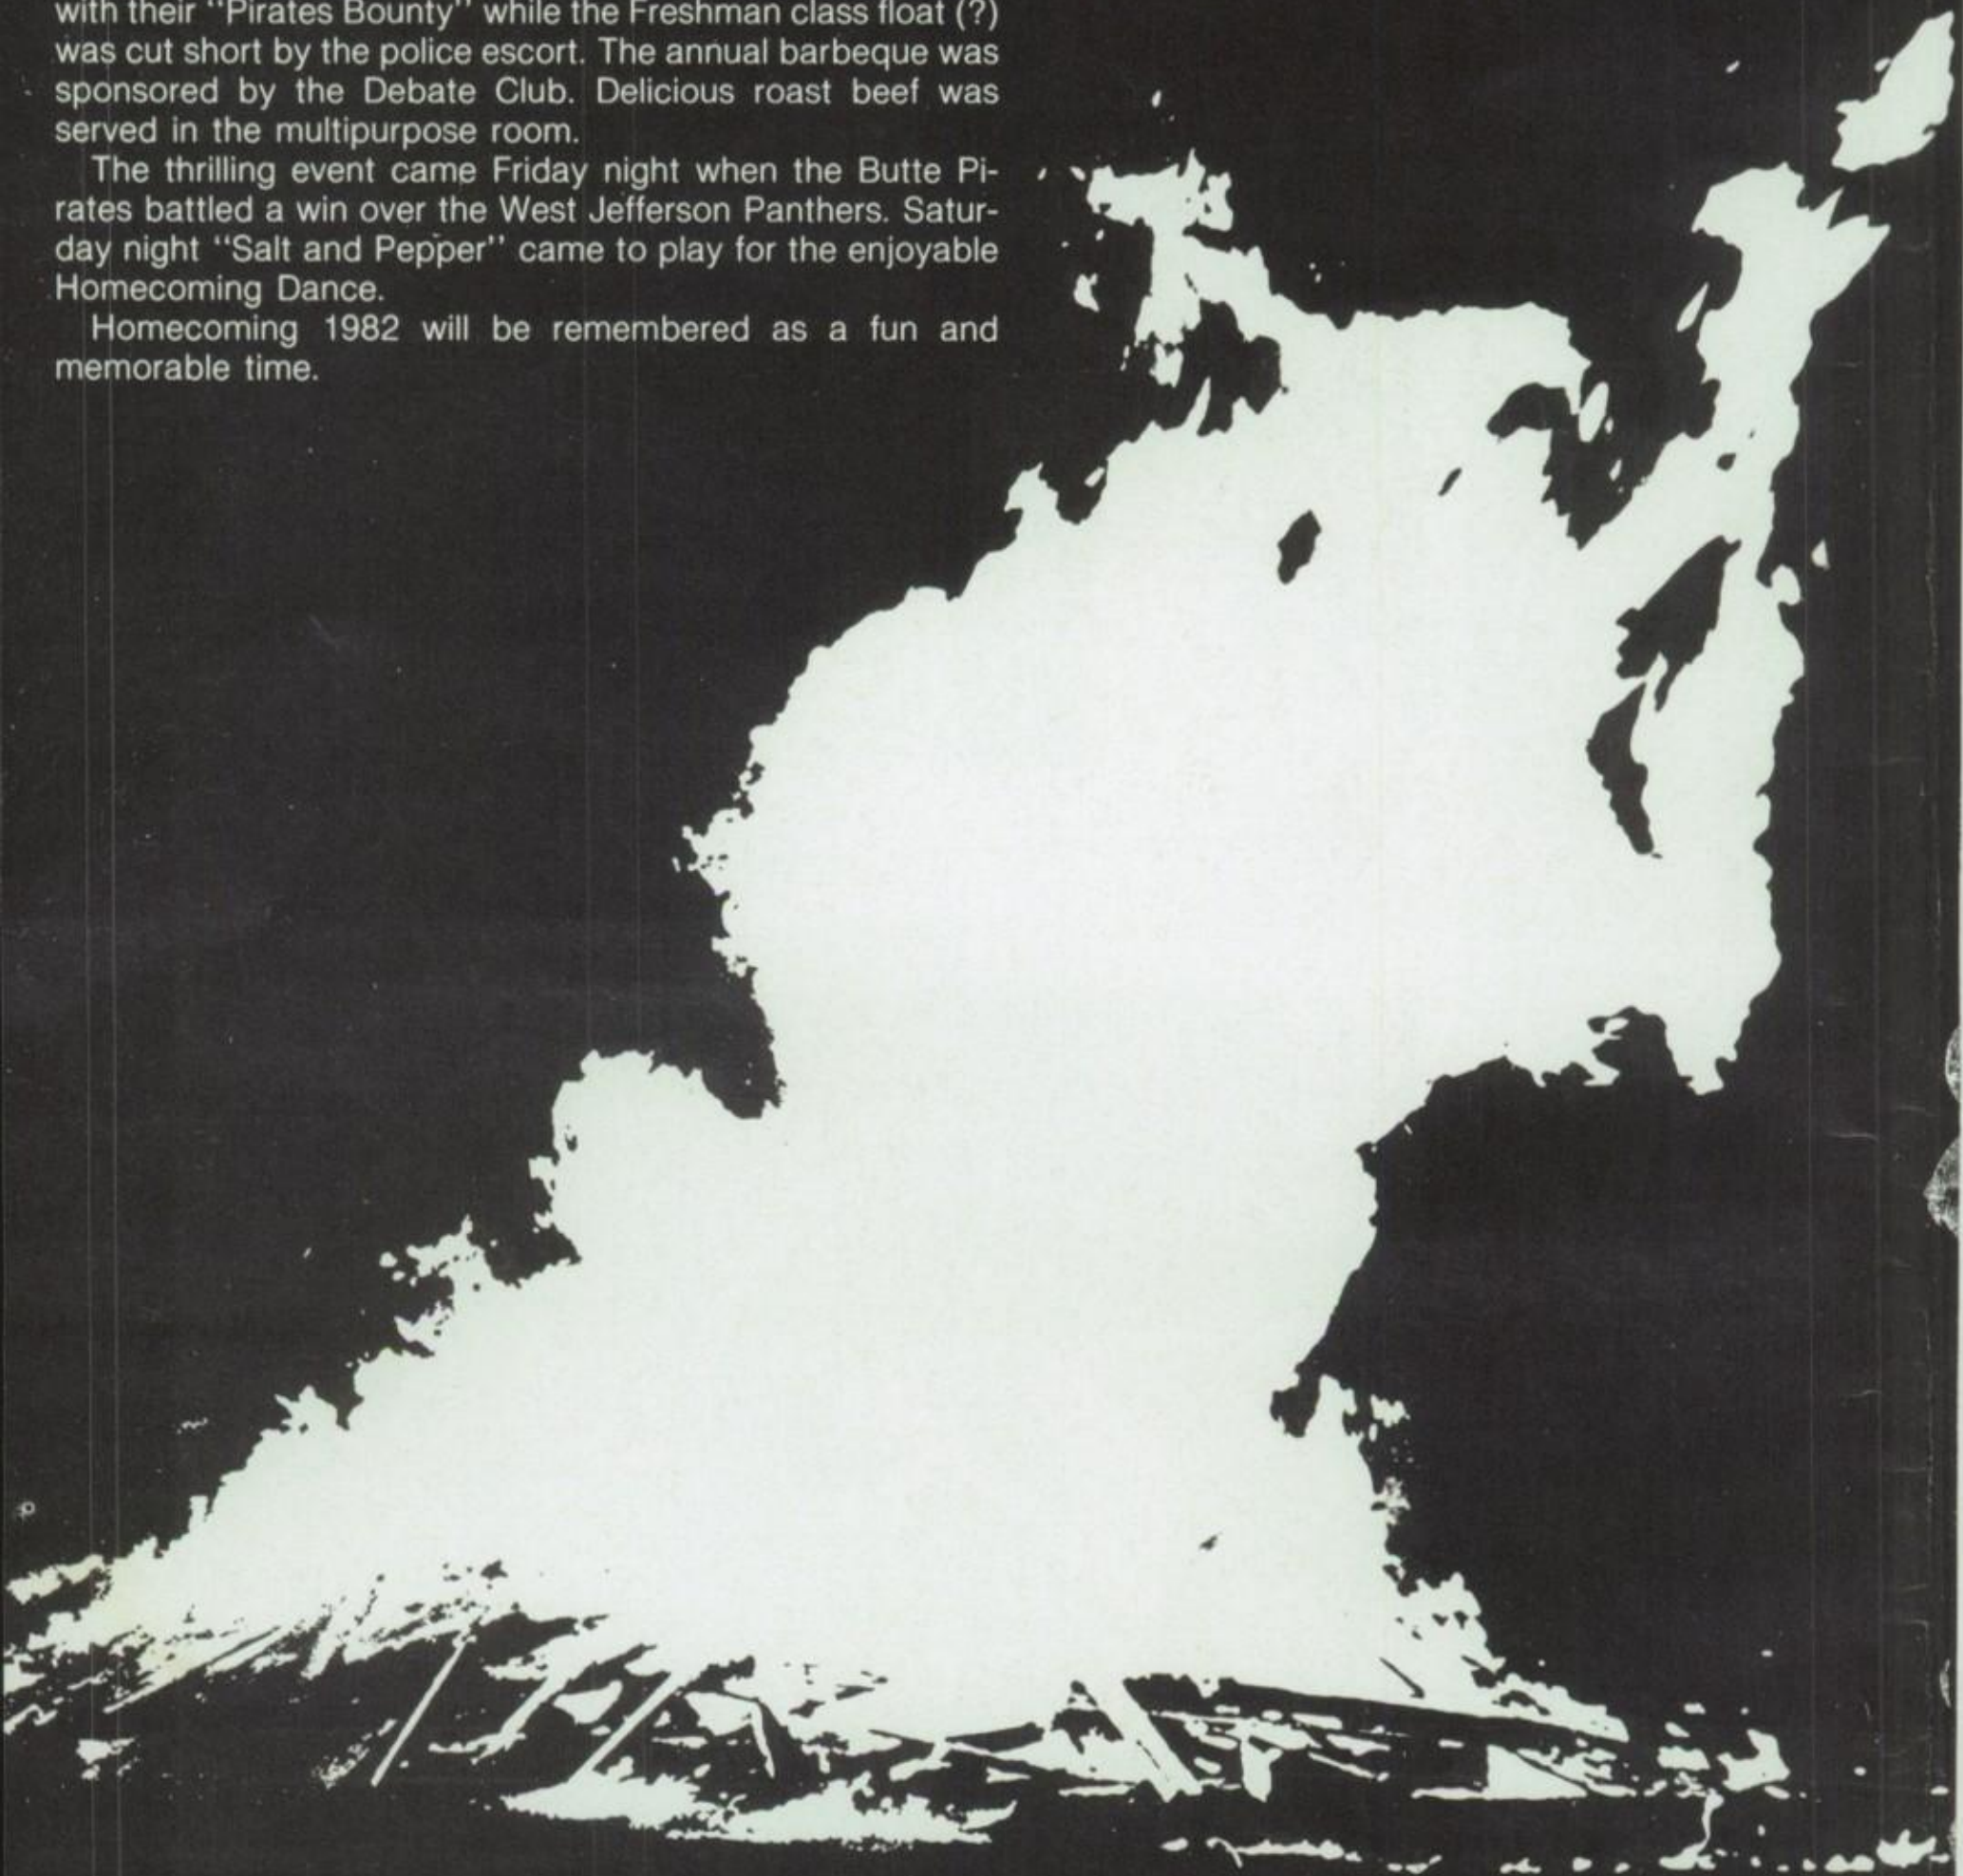

Homecoming 1982 was filled with victory and excitement. The week started with the crowning of Andrea Smith as Homecoming Queen and Lyndon Felton as Mr. Touchdown. It seemed as if everyone came to Butte High to celebrate, babies and punks, Romans and cowboys. The Romans even had their slaves, the Freshmen, feeding them grapes on the school lawn.

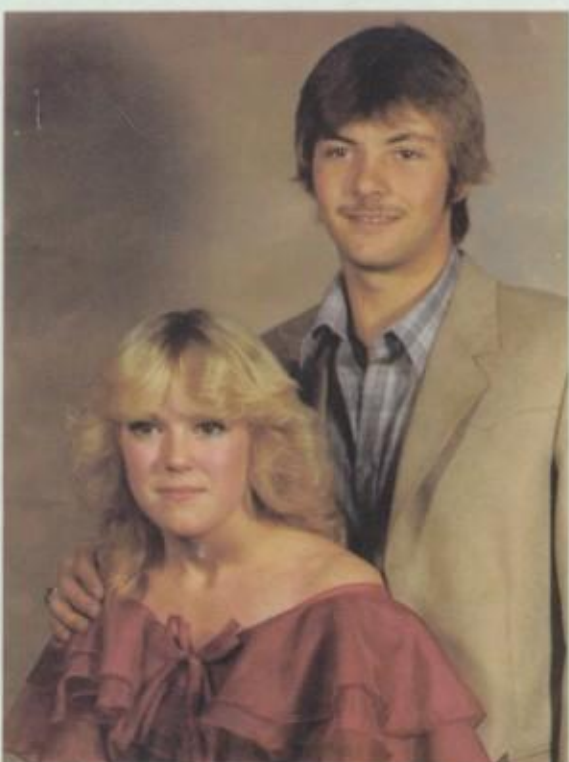

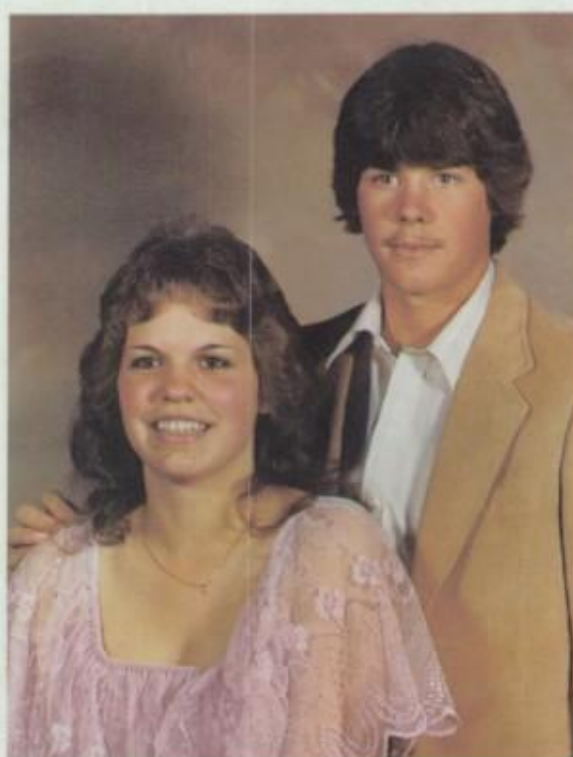

Thursday night the bonfire was held accompanied by a fizzled out pep assembly.

Friday's activities started with the Seniors winning the go-cart race. The parade followed with a creative expedition of entries. The Senior Class won first prize and sweepstakes with their "Pirates Bounty" while the Freshman class float (?) was cut short by the police escort. The annual barbeque was sponsored by the Debate Club. Delicious roast beef was served in the multipurpose room.

The thrilling event came Friday night when the Butte Pirates battled a win over the West Jefferson Panthers. Saturday night "Salt and Pepper" came to play for the enjoyable Homecoming Dance.

Homecoming 1982 will be remembered as a fun and memorable time.

Our Foreign Students

It was an unusual year for Butte, as three students from other countries chose to come to our school. Lyndall Croucher, left, came in the fall and spent the remainder of the year, graduating with the seniors. Bernardo Martins and Monica Correa came from Brazil in December. Bernardo stayed three months, while Monica finished the year. Each added something special to our year and won our hearts.
